White Lake Area Guided Nature Walks

Nature Walks Overview

Discover the beauty of the White Lake area. Naturalists will lead guided tours of local natural areas. A variety of topics relating to native plants and wildlife will be covered, depending on the time of year. The walks are appropriate for adults and families; no children allowed without parents.

Walks will take place the first Saturday of the month, with the exception of July (held on the second Saturday), beginning in June and continuing through October. Walks begin at 10:30 a.m. sharp and last until approximately noon.

Dress appropriately for the weather and wear comfortable shoes. Bring water and snacks if needed. Other optional items include: hat, sunscreen, insect repellent, umbrella, binoculars, cameras, sketchpad, and pencils or pens.

Walks will take place regardless of weather, unless conditions are unsafe. Please call to confirm if you have questions.

Registration for walks is suggested, but not required. For more information or to register for a walk, please contact the White Lake Area Chamber of Commerce.

Photographs from nature walks and other local scenic/wildlife pictures can be seen at www.watershedwildlife.com
